

Recently my wife and I had John Axt represent us in both the selling of our house and purchase of our new property. After interviewing several Realtors we had the pleasure of meeting John Axt and knew right away that we wanted him to represent us. From the initial consultation to closing, John was able to bring not only his knowledge as a Realtor, but multitude talents and insight that only someone with his industry experience would know. The attention to detail and service by John was always spot on, which resulted in a very quick sell of our house without any complications. During this time John was never off point and always kept an open line of communication so that we were well informed every step of the way no matter how small the detail. At all times John carried himself with the highest degree of professionalism and provided us with a dedicated level of service that is unmatched. My wife and I could not be happier.

Thank You John!
