**Prudential Gary Greene, Realtors selected to market new townhomes in Northwest Houston**  
*Axt says Kings Village North offers peace of mind to residents*

HOUSTON, TX – **Prudential Gary Greene, Realtors’ John Axt**, GRI, has been selected to market **Kings Village North**, a new townhome project in the northwest hub of Houston.

Axt said the secure gated townhome community, complete with a pond, streetlights and sidewalks, provides peace of mind to the residents. “Another thing that homeowners appreciate about Kings Village North is that they do not have to spend a lot of time maintaining their property,” said Axt.

“Kings Village North features beautiful, Tudor-styled exteriors,” said Axt, who works out of Prudential Gary Greene’s Champions office. “Each home has a covered front door, providing an elegance that adds to the curb appeal.”

“We discussed the marketing of Kings Village North with several real estate companies,” said **Alfonso Jara**, CEO of North Louetta Co., Inc. “We picked Prudential Gary Greene due to their willingness to meet our unique needs, their impressive overall market penetration, vast marketing tools, as well as the overall experience of John Axt. John, who will lead the marketing efforts, demonstrated he understood the issues in today’s real estate market, specifically new home sales and helped set our minds at ease in this major decision. We look forward to a successful partnership.”

Kings Village North models are open to the public four days a week from 3- 6 p.m. on Thursdays and Fridays and noon- 6 p.m. on Saturdays and Sundays.
